Rave Reviews!

“Highly recommended! FOODPLAY presents sound nutrition messages in a thoroughly entertaining way, captivating children throughout the entire show, and triggering school-wide excitement to create healthier school environments.”

—Joan Nachmani, MS, CNS, SFNS, Director of Nutrition Education,
School District of Philadelphia, PA

“Thank you for bringing FOODPLAY to our schools. What a fantastic assembly! Our students enjoyed it tremendously. Can't wait to have you visit again next spring!”

—Judy Huffaker, RD, Nutrition Education Specialist,
Alhambra Unified School District, Alhambra, CA

“This program was an incredible way to reach thousands of students with positive nutrition messages in a creative, entertaining way that kids can identify with and enjoy! Of 269 4th grade students surveyed, over 70% of them reported eating more fruits and vegetables and drinking less soda the week after seeing FOODPLAY.”

—Lisa Medrow, RD, Nutrition Program Coordinator,
Yuma County Dept. of Public Health, Yuma, AZ

“We are huge FOODPLAY fans. The shows are right on target for the message we are trying to convey to our students. It is a great way to reach the entire student body with a minimum of expense and time.”

—Donna S. Martin, EdS, RD, LD, SNS, Director, School Nutrition,
Burke County Board of Education, Waynesboro, GA

“Thanks for the wonderful FOODPLAY show. Now I started eating better and healthier foods. PS - My mother says thank you, too!”

—Sasha, 3rd Grader, CT

☆ Evidence-Based • Proven Results! ☆

FOODPLAY has been found to dramatically improve the nutrition and health knowledge, attitudes, and behaviors of elementary school children:

75% reported “...eating more fruits and vegetables”

70% reported “...eating fewer sweets and drinking less soda”

62% reported “...telling parents what they learned”

—According to USDA-sponsored evaluations
