Dear Ms. Storper:

Thank you very much bringing the exciting theatre performance of *Lil' Red Ridin' thru 'Da Hood* to Christopher Columbus Charter School. I received a lot of positive feedback. Teachers, students and parents expressed that the performance was both informational and fun. I received several calls from parents expressing that their children were interested and motivated to bring healthy food choices to school. I know that the students thoroughly enjoyed your interactive presentation and your time.

The students enjoyed watching and learning about nutrition and exercise through the theatrical performance by Lil Red, Big Boy and Gran'ma Jackson. Teachers and students articulated that they enjoyed your use of theatrical props. The actresses and actors were engaging and gracious in taking questions from the students.

The staff, students and parents of Christopher Columbus Charter School would like to offer our sincerest thanks and we hope you will bring another FOODPLAY Production to our school again.

Sincerely,

Rosemary Dougherty  
Principal
